To Our Valued Customers,

American Metals Supply, Inc. is a growing Metals Distributor based out of Tampa, FL, with branches also in Jacksonville, FL, Charlotte, NC, Loxley, AL, and Tomball, TX. We specialize in Aluminum Extrusions, both standard and custom, as well as Aluminum Sheet and light Plate.

American Metals Supply, Inc. was formed by a highly experienced group with many years of exposure to the Florida Aluminum Market. We have developed systems and controls to ensure that your material requirements are met as agreed. We take pride in "doing what we say"

Our goal is to provide excellent service and quality at a fair price. We also strive to provide flexibility in order to meet our customers' needs.

This catalog is a guide to the products currently stocked. **However, our inventory is continuously growing.** If you need a product not listed in our catalog, please call us for current availability.

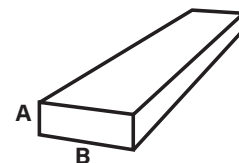

Call and let us serve your needs! Allow us to show you how our many years of experience, quality, wide variety of inventory and excellent on-time delivery can service your needs.

We appreciate the opportunity to serve you. We will work hard today and continue our never ending quest for improvement so that we can continue to earn your business now, as well as in the future!

Thank you,

All Employees of American Metals Supply, Inc.
